Along with the unforgettable village clinic experience, all trips through IMA will include

- All Hospital Fees
- Access to Post-Exposure Prophylaxis
- Travel & Accident Insurance
- Unlimited Wi-Fi Access At Residence
- On-Demand Private Transportation
- 24/7 U.S. Based Support & In-Country Support

Not-For-Profit Model

Unlike most elective companies, IMA is a not-for-profit that reinvests earnings into the communities in which we operate.

24/7 U.S. Based Support

IMA's U.S.-based support staff assure that volunteers' relatives have a single point of contact for added peace of mind.

Priority Hospital Placement

Through special arrangements with hospitals around the world, IMA's volunteers enjoy the highest priority access to all medical departments across a variety of specialties.

On-Demand Private Transportation

IMA provides on-demand, private transportation to ensure the safety and enjoyment of all volunteers.

**Subject to Change. See medicalaid.org for most current information.*

Structured Electives

Program Mentors guide volunteers through the entire elective experience. IMA's structured programs include extensive training on infection control, region specific orientations, and continuous support from in country and U.S.-based staff.

Travel & Accident Insurance

IMA provides every volunteer with travel and accident insurance at no additional cost to the participant.

No Hidden Fees

Unlike many for-profit elective companies, IMA's Program Fee is inclusive of all hospital fees, insurance, and transportation. We even include unlimited Wi-Fi access for all our volunteers!

CHANGE | EXPLORE LIVES | THE WORLD

International Medical Aid

IMA is an innovator in the field of not-for-profit healthcare electives for practitioners and students alike. We have programs in a wide range of disciplines, including **medicine, dentistry, nursing, mental health, public health and physical therapy**. Whatever field you may be interested in, we can provide you with a program that will meet your needs.

We will ensure you have a safe, organized and mutually beneficial experience working in a clinical or community health setting. IMA operates in a number of locations throughout East Africa, South America and the Caribbean. Through IMA, you will have a chance to make a real difference in people's lives, while visiting some **amazing** places.

Our Values

At IMA, we are guided by four strong core values that create the foundation for our organization.

Integrity

Be transparent and accountable

Mutual Respect

Care for our volunteers, our community and each other

Commitment

Always honor your promises

Imagination

Embrace and encourage innovation
